The next course will be in Twin Bridges at the school October 7,14,15. Melinda will be working with Cathy Grose to get that set up.
County Planning and Trainings- Fair report	We shared a booth with the Sherriff's office, the LEPC, the Madison/Ruby Search and rescue, and the County Risk Mitigation group. A donation was given to the Citizen Corps Council of \$20.00 from the Fair. Frank will put it in the account with the county bookkeeper as the beginning of our fundraising efforts. We had 8 people man the booth at the Fair. We had the evacuation brochure, the CERT info and water bottles to give away. It was suggested that we have more kid give away stuff that seems to draw the parents in to the booth. 9-14-06 Mary, Leatta, Nancy Schenk and Melinda attended a Moulage training with Ward Thompson to learn the some of the makeup ideas for the CERT simulations.
72 hour Kits	We have 2 ready made kits for sale. We need to get the word out about this so we will be able to have some capital to fund the CERT trainings next year. Mary is working on an article for the papers about the kits.
Evacuation Preparedness brochure	Brochure is ready and available for distribution. All members should take some and give them out in their communities.
Identifying Elderly and Disabled in the Communities	It was suggested that we make up a brochure with a return card for people to pick up at a variety of places and return to Jill if they wanted their names on the list for the county. We will work with Jill to get that accomplished.
Neighborhood Watch	5 people have responded to the mass mailing and article that we put out. Doug, Jaime, and Dave Schenk will work on the next step.

	<p>Frank- We need to have a CERT leader for each side of the county and it would be helpful if there were someone to help organize the volunteer organizations on each side also.</p> <p>Sheri – Traffic control trainings for the CERT members. November 1, 2006 in Ennis and October 30th in Sheridan. Melinda will work on the Ennis one and Sheri will work on the Sheridan one. Melinda has talked to Sherriff Schenk and he agreed to have people from his department teach the class.</p>
Brain storm for Ideas	Have a CERT course manager training, so there would be others authorized to put on CERT courses in the future
